

## **Dermot McGrath RIP**

It is with great sadness we mourn the death of Mr. Dermot McGrath. Dermot, a Galway man, began his teaching career in 1963 in Easkey Vocational School. Dermot taught Metalwork here in our school until 2003 when he retired.

He was an esteemed member of staff who had a wonderful sense of humour. An avid sports fan, he travelled with football teams on many occasions.

On behalf of the staff, past and present, and all past pupils who had the honour of knowing him, we offer our sincere sympathy to his son Noel and to his family and friends. May he rest in peace.
